Saigon is a very populated city that seems to never sleep. The lifestyle here is constantly filled with interesting and novel things because this is a gathering place for many people from various cultural backgrounds across the nation. It is a tasteful blending of contemporary and traditional elements. Many small alleys with historically significant values can be found right behind taller buildings or in the middle of the city

Best time to visit:

The tropical monsoon climate in Saigon has two clearly differentiated seasons, the dry season and the rainy season. The rainy season in Saigon starts from May to November every year. The dry season in Saigon usually starts from December to April of the following year. To conclude, guests can visit Saigon any time as weather do not change much during months of the year
