### **Introduction:**

Sapa is Locally known as the “town of clouds”, Sapa is a charming treasure trove of Northwest Vietnam. As a modest land, it has many wonders of the natural scenery with topography of hills, green forests, which makes a fascinating scenic picture. Endowed by nature, it’s no wonder that Sapa has become one of the most alluring destinations in the country.

Best time to visit Sapa:

September when the rice terraces are at their most splendid

April and May when the weather is ideal and skies are clear

For those who don't mind hot weather, June to August is a fine time to visit.

October to December: With cool nights and warm days, the weather is ideal for outdoor activities such as trekking, visiting ethnic villages, and immersing yourself in the refreshing natural surroundings. When the whole region gets really chilly, often dipping below 0°C, and the cold air is in full swing, you might see snowfall.
