Indeed, in the past when Dalat still had been under France, The French Officials want to set up this city as "Le Petit Paris" (A Little Paris), the ideal resort city, the meaningful education center for their life in Indochina, the place was far from their native land – remote France.

In this Square, there are many fun activities. As well as having a lot of street vendors, selling a variety of delicious snacks. This can be said to be unique site in this foggy city. The area has the feel of a desert, with massive sand dunes covering most of the terrain. The huge lakes will come into view as you climb up the desert hills. Clusters of lotuses cover a large part of the water's surface. The gentle pink color of the flowers, together with the lush green shade of the leaves and the translucent blue color of the water, makes a gorgeous, mesmerizing landscape.
