# Xin Chao!

LV Travel was created in 2000 when me - LE VAN LEN (GM) and my wife - NGUYEN THI MINH LY (MD) met in Hanoi and become a life time partner. Both of us were graduated in Faculty of Tourism at Hanoi National University. My passion is travel to explore the beauty of the world. I did as guide, tour director and travel up to the hill top of Indochina mountain - Fansipan, down to the sea with all corner of Vietnam and Indochina region. With our experienced professional in the tourism sector we wanted to put operational offices along the spine of Vietnam, one in Laos and other in Cambodia, providing the same innovation of product, 24 hour client support, and destination knowledge that has made travel with LV Travel an unforgettable experience for so long.
